## **JULY 2011 MEETING MINUTES**

By Donna Ahlstrom

The July meeting of the Streator R/C Flyers was called to order at 7:15 p.m. by President Burdette Ahlstrom at the Streator flying field. There were 8 members present. Dale Chiavene made a motion to accept the minutes as printed in the June newsletter seconded by Randy Bond. Motion carried. Howard Morstatter gave the treasurer's report. John Chorak made a motion to accept the treasurer's report as given, seconded by Dale Chiavene. Motion carried. The members that were present discussed the meetings and where they should be held. The members said we should have all the meetings at the Bruce township hall because we never know what the weather will be. We will discuss more on this at our next meeting. We discussed the Fly-In breakfast that will be held August 14<sup>th</sup>. This is usually the biggest event of the year and we hope it will be a great day for this event. This event will be over before our next meeting. Our last event of the year will be the War Bird Fly-In on October 2<sup>nd</sup>. Don't forget we will accept any size War Bird aircraft at this event. We will be serving brats and hamburgers at this event. With no other business to discuss, motion was made by Randy Bond to adjourn the meeting in Jim Underwood's absence. Meeting adjourned.

## **PRESIDENT'S CONNER**

By Burdette Ahlstrom

Well our Fly-In breakfast will be over before this newsletter is printed. I know that the weather is going to be great. I just hope the weather man is right! I know our next event will be on October 2<sup>nd</sup>. And we know

the weather could be unpredictable, but we can hope for a great day. This will be our second time for this event. Last year we had a great turnout and I'm looking for a bigger one this year weather permitting. I know we have a lot of 2.4 radios out there now but we need to remember there are still some of the older radios still in use, so when flying at the field with the older radios please use the frequency pins so there will be no problems. I would like to thank all the people that have helped keeping up the field this year. I think the field looks in great shape and I know everyone that fly's thinks the same way. Well I hope to see everyone at the Fly-In breakfast and the meeting. I know Howard Morstatter will have a report on our Fly-In breakfast.

## **NEXT MEETING**

The next meeting of the Streator R/C Flyers will be.
