## **PRESIDENT'S CORNER**

By Burdette Ahlstrom

Don't forget your dues are due for 2011. They are \$40.00 this year. This will be your last newsletter if your dues are not paid. The weather is starting to get warmer so I would like to remind the members if you go out to the flying field please be careful not to drive in the grass if the ground is still soft. It makes ruts and it is hard to mow when there are a lot of ruts in the ground. I sure hope I will be able to fly this year. I sure miss it. I know there are a lot of flyers that will help me if I bring a plane out. I had a stimulator put in my back and the pain is

about 70% better. It sure is great not having pain in my back all the time. I sure would like to have a little information to put in the newsletter. You can send it to my E-Mail address and I will put it in the newsletter. It is hard to make a newsletter if all you have are the minutes to our last meeting to put in it. I know that some flyers still build, you could send me a letter on what you are building or a picture it would be appreciated. I would like to remind all the members that on all of our events this year we will need plenty of help, more people that help makes it go so much easier on everyone and everything goes a lot better. I Know we had a lot of help last year on all of our events and they went great. I appreciate everything that everyone done last year. **THANK YOU.** Well I hope to see everyone at the meeting.

## **NEXT MEETING**

The next meeting of the Streator R/C Flyers will be.  
Wednesday March 16<sup>th</sup> at 7:00 p.m.
