## **PRESIDENT'S CORNER**

By Burdette Ahlstrom

I would like to thank Vice president Jim Underwood and Dale Chiavene for taking over the October meeting for Donna And I. I would like to thank everyone for their support while I was president of the club. I think we have the best club around and I have enjoyed being president for the past few years. I just wish I could have done more the past few years but my health prevented me from doing this. I wish Dale Chiavene the best of luck taking over as president and hope his health will continue to be good. I hope next year I will be able to get back into flying I don't think I have flown for about 3 years. Well I hope to see you at the meeting.
