We had 20 registered pilots and 28 planes and 25 flights at our Fly-In breakfast. We had a lot of breakfast served and had a great day. The club will have their club picnic on Sunday August 28th. Randy Bond made a motion of changing the lock on the gate from a key lock to a combination lock, seconded by Jim Underwood. Motion Carried. Dale Chiavene made a motion to have Randy Bond purchase a combination lock, seconded by Rodney Williamson. Motion carried. The combination will be changed every year on June 1st. PRESIDENT'S CORNER

By Burdette Ahlstrom

I would like to thank everyone that helped at the Fly-In breakfast, you all did a great job and made our event a success. I would like to thank everyone that donated food for this event. I know everyone that I talked to said everything was great and the food tasted great. I know next year we will be having our 25th anniversary, it doesn't seem like we have been there that long. I remember when we first started the club and it seems like yesterday. We have a great flying field and we have a lot of great people taking care of it. It always looks great. I would like to thank everyone that helped take care of our field this year, all of your work has been well appreciated. Well I hope to see you all at the meeting.
